Shaun is contacting local officials in Durango (and probably Silverton) to indicate he (and David O) are willing to come down to meet with them tomorrow. There are thoughts about a public meeting but that is still being discussed internally and I think part of the conversation to be had with the local officials. Will keep you posted.

If you hear of a public meeting tonight let me know where. Just getting on 285 now. Should be there in 6 to 7 hours. Libby
